## EXAMINATION SCHEDULING PROCEDURES

Candidates submit an exam application online or they may submit a paper application if they prefer along with the examination fee for the written and practical examination to D.L. Roope Administrations.

D.L. Roope sets up examination spaces in the online system to enable candidates to log in and schedule their examinations or they may call and speak with a telephone support specialist to be scheduled. Our online system is available 24 hours a day, 7 days a week for candidates to schedule their examinations at a test location on a date and time that is convenient for them.

Candidates may schedule the practical and written examination on the same day at our Fife, Spokane or Yakima test locations. The practical examination should be scheduled first by selecting "NIC WA Practical" from the drop down box and then select the location, date and time. Before scheduling the written exam refer to the section titled "EXAMINATION SECTIONS" in this handbook for the amount of time needed to complete the practical exam to make sure you allow enough time to complete the practical exam before the scheduled written exam time. The written may then be scheduled by selecting "NIC WA Theory" from the drop down box and then select the same location, date and exam time.

The following are the Washington test locations:

<b>Practical and Written test locations:</b>	<b>Written Only test locations:</b>
<ul style="list-style-type: none"><li>➤ Fife, Washington</li><li>➤ Spokane, Washington</li><li>➤ Yakima, Washington</li></ul>	<ul style="list-style-type: none"><li>➤ Olympia, Washington</li><li>➤ Camas, Washington</li><li>➤ Pasco, Washington</li><li>➤ Everett, Washington</li></ul>

Candidates may schedule their own examinations by clicking on the scheduling link in their approval e-mail. This link takes candidates into the scheduling portal or they may schedule by calling and speaking with a telephone support specialist. Candidates log in using their assigned candidate number and secure password. The scheduling portal shows the approved examination(s) for the candidate and informs the candidate of the location that is closest to their zip code or they may select another Washington test site if desired. The scheduling portal shows all available seats on the schedule. The candidate selects the date and time of their preference from a drop down menu. Once selected, all details of their selected exam date, time and location appear on the screen and the candidate confirms all details and clicks to submit. The candidate prints their admission letter and they also receive an e-mail confirming their scheduled examination. If the candidate does not have access to a printer, they may request a copy of their admission letter be mailed to them.
