APPLICATION PROCEDURES

Applications must be received by DL Roope Administrations by the DL Roope deadline date indicated on the back of the application. Applications received after the deadline date will be scheduled based on space availability. If you have missed the deadline date and the requested examination week is full, you will be scheduled for the next available examination week. Admission letters will be mailed after the deadline date. This letter will confirm the scheduled examinations. It will also include the date, time, location and directions for your examinations. Please note that DL Roope Administrations Inc. schedules the examinations over 1 – 4 days according to the number of candidates that apply for an examination week.

ADMISSION TO THE EXAMINATION

Report to the examination site on the date and time indicated on your admission letter. Morning registration begins 60 minutes prior to the scheduled examination time. Afternoon registration begins 30 minutes prior to the scheduled examination time. Examinations begin promptly at the scheduled time. Please allow for unexpected delays en route to the testing facility, it is your responsibility to report to the examination facility on time. Late candidates will be required to re-apply and re-pay the examination fee. **You must present your admission letter and a valid driver's license or State ID card for admittance to the examination.** Candidates will not be admitted without the required documents. Walk-in candidates will not be admitted.

The name submitted on the application will be indicated on your admission letter. The name on your admission letter **MUST** match the ID presented for admittance to the examination. Please verify that your name, address, photo identification number and date of birth has been recorded correctly on your admission letter **PRIOR** to your scheduled examination. Please make any necessary corrections on your admission letter and fax to our office. Please include a fax number and our office will verify the corrections and fax a corrected admission letter.

If your name has changed or is different than indicated on your admission letter, you must submit legal documentation showing your previous name and current name (marriage license, divorce decree, court order, or notarized affidavit) to DL Roope Administrations Inc. **PRIOR** to your scheduled examination. Please include a fax number and our office will verify the changes and fax an updated admission letter.

EXAMINATION FEE POLICY

Examination fees are not refundable or transferable and will be applied to the scheduled examination week. All examination fees must be used within 6 months from date of receipt.

If you do not attend your scheduled examination or cannot be admitted, your examination fee will be forfeited. To be rescheduled you must submit a rescheduling application and another examination fee.

If you are unable to attend your scheduled examination due to an emergency situation you must provide written documentation. The following situations may be considered for rescheduling:

Documentation must be faxed to 207-848-5511 within 24 hours after your scheduled examination.

AMERICANS WITH DISABILITIES ACT (ADA) INFORMATION

Standard testing conditions may represent an artificial barrier to candidates with disabilities. Candidates may request accommodations that will be evaluated on the basis of the Americans with Disabilities Act of 1991. You may contact DL Roope Administrations Inc. or your school to request information and the appropriate forms (Form A, B & C). Form A must be completed by the candidate. Form B must be completed by the medical professional or you may attach previous medical documentation for review (e.g. IEP, PET etc.). Form C must be completed by a school official indicating accommodations provided during testing while in school for this profession. **Candidates must submit the appropriate forms with the application to DL Roope Administrations Inc. by the application deadline date.**

STATE SPECIFIC INSTRUCTIONS

- Upon approval of your application you will be assigned a candidate number. Candidate numbers are assigned for the purpose of protecting your social security number from being transmitted electronically. This candidate number will be printed on your admission letter. Please be certain to use the candidate number that has been assigned to you and not your social security number when taking your examinations.
- Candidates must arrive in neat, clean, **professional** attire. Uniforms are not required. A lab jacket or smock is required and must be present when registering for the practical examination. Candidates must wear closed toe shoes that cover the instep of the foot during the practical examination. Hats and head coverings are NOT allowed during the practical or written examinations for examination security reasons. If you have a medical or religious reason that requires a hat or head covering please fax or e-mail a written request for authorization to our office **PRIOR** to your examination date. For confidentiality reasons, please cover all identifying marks on your attire or kit. (e.g. your name, school or salon name). You may choose to dress in layers to accommodate changes in the room temperature.

- In consideration of other candidates in the examination room, please refrain from wearing perfume or cologne.
- **ABSOLUTELY NO VISITORS WILL BE ALLOWED AT THE TESTING SITE.** Candidates are not allowed visitors or to receive messages during the examination.
- Practical examination stations at the testing facility are countertops that are attached to the wall. The stations are 32" from the floor to the bottom of the station. Your work area is 36" wide and 18" deep.
- Recommended kit size is no larger than 30" x 30". For safety reasons all kits must be able to fit completely under the countertop or table area.
- Masking tape is recommended for the practical examination. Scotch tape causes damage to the candidate stations and is not permitted during any section of the practical examination.
- Candidates are not permitted to use aerosol products at any time during the examinations. All products and sanitizers must be non-aerosol.

IMPORTANT INSTRUCTIONS

- Do not leave the examination area without permission. Permission must be obtained to leave the examination area for any reason, including restroom usage or at the completion of the examination.
- Candidates are required to bring their own kit with sufficient quantity of supplies in sanitary condition. This includes the required implements in proper working order and protective drapes. The kit must be kept closed except when removing or replacing materials for a particular service. The kit will be used during the examination as dry storage and is considered part of the work area.
- All examinations are administered in a testing environment. Candidates should bring a container of water if needed for any section of the examination. Candidates may bring a thermos of hot water if desired. All water and their containers must be taken with the candidates and may not be disposed of at the testing facility.
- Candidates are evaluated at all times. Continue demonstrating until you have completed the entire section.
- Candidates will be given 10 minutes for client protection and to set up the general supplies that they will use throughout the examination. Candidates will also set up the supplies for the basic manicure section of this examination.
- Candidates will also be given 2 minutes to set up the supplies for each section of the examination.
- The verbal instructions will be read twice for each section of the examination. Each examination section has a maximum time allowance. Once you have completed all tasks in the section please turn the hand toward the examiner to indicate that you are finished. In the event that all candidates complete the section before the time has elapsed the examiners will proceed to the next section of the examination.
- Candidates must follow all appropriate public protection and infection control procedures during all phases of the practical examination that will ensure the health, safety, and welfare of the public. In the event of a blood spill candidates will be expected to follow the NIC Health and Safety Standards. Failure to do so may result in your dismissal from the examination.
- Cellular phones, pagers, any electronic device, printed materials, and handwritten notes are NOT permitted in the examination room. Talking to other candidates or any examiner is strictly prohibited. Failure to comply with any of these conditions will

result in you being dismissed immediately, and your actions reported to the proper authorities. Your examiner has been instructed not to answer any questions concerning your examination. This ensures equal opportunity for all candidates and standardization in testing for the National Practical Examination. If you have an emergency situation please ask to speak with the supervisor.

- Manufacturer’s labels are required on all disinfectants and sanitizers.

VETERANS’ PREFERENCE POINTS

- Georgia law (General Provisions Volume 30, Title 43-1-9.(1)(2)(3) provides that veterans meeting certain conditions are eligible for the addition of five or ten percentage points to their examination scores. To qualify, a veteran must have served for a minimum of one year in active duty status and must have served during a period of conflict or war for a minimum of 90 days. The law provides that you may also qualify for veterans’ preference points if you were “discharged for injury or illness incurred in [the] line of duty...if [your] disability is rated at 10 percent or above at the time of taking the examination.”
- To apply for veterans’ preference points, you must send a copy of your DD-214 form and documentation of your disability, if applicable, to the Board office along with your completed application for licensure.
