D.L. ROOPE ADMINISTRATIONS CONTACT INFORMATION

To request examination information you may write, phone, or visit our web site:

D.L. Roope Administrations

P.O. Box 631

Hampden, ME 04444-0631

Toll Free: 1-888-375-2020 ~ Direct: 1-207-848-7720

Fax (207) 848-5511 ~ www.DLRoope.com

ELIGIBILITY REQUIREMENTS

Eligibility requirements for the licensure examinations are set by the New Hampshire Board of Barbering, Cosmetology and Esthetics (Board). D.L. Roope Administrations is contracted by the Board to administer the National Interstate Council of State Boards of Cosmetology (NIC) examinations. All questions regarding eligibility for licensure must be directed to the Board office, you may visit the Board's website at www.nh.gov/cosmet or contact the Board office at 1-603-271-3608.

NEW HAMPSHIRE SCHOOL CANDIDATE INFORMATION

If you graduated from a licensed school in the State of New Hampshire, you may obtain a paper exam application from your school or you may complete an online exam application on our website at www.DLRoope.com. If you apply online, your school will be notified electronically that you have applied.

Student's final record of instruction must be submitted to the Board. Receiving a passing score on the examination does not guarantee licensure. All requirements for licensure must be met as set forth by the Board before a license will be issued.

REINSTATEMENT, APPRENTICE & OUT OF STATE CANDIDATE INFORMATION

If your license has lapsed or you did not graduate from a school licensed in the State of New Hampshire, you may visit the Board's website at www.nh.gov/cosmet or contact the Board office at 1-603-271-3608 for information regarding requirements for licensure. Please visit our website at www.DLRoope.com to apply online or to print the Out of State exam application. If approved, the Board will issue a Verification of Eligibility form (VOE) that must be submitted with your examination application to D.L. Roope Administrations.

AMERICANS WITH DISABILITIES ACT (ADA) INFORMATION

Standard testing conditions may represent an artificial barrier to candidates with disabilities. Candidates may request accommodations that will be evaluated on the basis of the Americans with Disabilities Act. You may contact D.L. Roope Administrations or your school to request information and the appropriate forms (Form A, B & C). Form A must be completed by the candidate. Form B must be completed by the medical professional or you may attach previous medical documentation for review (e.g. IEP, PET etc.). Form C must be completed by a school official indicating accommodations provided during testing while in school for this profession. **Candidates must submit the appropriate forms with the application to D.L. Roope Administrations by the application deadline date.**

New Hampshire Electrologist Candidate Handbook

TEMPORARY WORK PERMIT INFORMATION

Temporary work permits are issued by the Board and expire sixty days after the date issued. If you do not attend your examinations or if you do not schedule and take your examinations **before** your temporary work permit expires, you will not be issued a new temporary work permit and you will not be able to work until you have passed both exams and been issued a license.

EXAM APPLICATION INFORMATION

If you graduated from a school licensed by the New Hampshire Board, a paper exam application may be obtained from your school or you may complete an online exam application. If you graduated in another state, you may visit our website at www.DLRoope.com to print a paper "Out of State" exam application or to apply online.

Online exam applications are available on our website at www.DLRoope.com. Exam fees may be paid with any debit or credit card through a secure payment processing service. Your online application will transfer to your school if you graduated from a licensed school in New Hampshire. Once you are approved by your school for testing, your online application is transferred to our system, our staff reviews your application for completeness, and if it is complete you will be sent an e-mail letting you know that you are approved and that you will be scheduled for your examination.

If your application is not approved, our staff will contact you by phone or e-mail regarding the deficiencies in your application.

Complete applications must be received by D.L. Roope Administrations by the deadline date indicated next to the requested exam week. Applications received after the deadline date will be scheduled based on space availability. If you have missed the deadline date and the requested examination week is full, you will be scheduled for the next available exam week.

Practical exam weeks and deadline dates are listed on the exam applications on our website at www.DLRoope.com.

EXAM LANGUAGE INFORMATION

The practical examination is only offered in English. The written examination is offered in additional languages, you will select the language preference for your written examination when you apply for the examination.

COMPUTERIZED WRITTEN EXAMINATION INFORMATION

Once our office receives a **complete** application, an approval is sent to Iso-Quality Testing (IQT) for the computerized written examination. Candidates receive an e-mail from IQT with instructions on how to schedule the written examination if an e-mail address was provided on the application. If an e-mail address was not provided, IQT will mail instructions on how to apply for the written examination. Please do not schedule your written examination until you have received your practical exam admission letter in the mail to avoid inadvertently scheduling the written exam on the same day and time as your practical exam.

You must schedule your computerized written examination within 6 months of your approval and your examination fee will expire.

New Hampshire Electrologist Candidate Handbook

EXAMINATION SCHEDULING PROCEDURES

Candidates submit an exam application online or they may submit a paper application if they prefer along with the examination fee for the written and practical examination to D.L. Roope Administrations to be received by the deadline date indicated on the back of the application. Applications received after the deadline date are scheduled based on space availability. Practical examination admission letters are mailed to the candidates following the examination deadline date of the candidate's requested exam week. This letter confirms the scheduled practical examination. It also includes the date, time, location and directions to the practical examination testing location.

Candidates will receive an e-mail from Iso-Quality Testing (IQT) with instructions on how to schedule the written examination if an e-mail address was provided on the exam application. If an e-mail address was not provided, they will receive their written scheduling information from IQT via mail and an additional copy will be provided along with their practical exam admission letter. Candidates may schedule their own computerized written examination by clicking on the link in their approval e-mail. This link takes them into the written scheduling portal or they may schedule by calling and speaking with a telephone support specialist. Candidates log in using their assigned candidate number and secure password. The computerized written scheduling portal shows the approved examination for the candidate and informs the candidate of the location that is closest to their zip code. The scheduling portal shows all available seats for the next 30 days. The candidate has the option of selecting another test site if desired. The candidate selects the date and time of their preference from a drop down menu. Once selected, all details of their selected exam date, time and location appear on the screen and the candidate confirms all details and clicks to submit. The candidate prints their admission letter and they also receive an e-mail confirming their scheduled examination.

EXAMINATION FEE POLICY

Examination fees are not refundable or transferable and will be applied to the scheduled examination. Examination fees are valid for 6 months from date of receipt. You must request a practical examination week on your application prior to the 6 month expiration of your examination fee. If no examination week is indicated on the application, you will be scheduled for the next available examination week.

If you do not attend your scheduled examination, cannot be admitted, or if you arrive late, your examination fee will be forfeited. To be rescheduled you must submit a rescheduling application and another examination fee.

If you are unable to attend your scheduled examination due to an emergency situation, you must provide written documentation. The following situations may be considered for rescheduling:

- You are in a car accident on the way to the examination - documentation from a law enforcement officer is required.
- You have a medical emergency - documentation from a medical professional is required.
- A death in your immediate family – a copy of the obituary indicating your relation or a letter from the funeral home stating your relation to the deceased.

Documentation must be faxed to 207-848-5511 within 24 hours after your scheduled examination for review. If approved, you will be rescheduled to the next available examination week. Examinations may be rescheduled one time only due to a documented and approved emergency situation.

New Hampshire Electrologist Candidate Handbook

ADMISSION TO THE EXAMINATION INFORMATION

Practical exam admission letters will be mailed after the deadline date. This letter will confirm the scheduled examination. It will also include the date, time, location and directions for your examination.

Report to the practical examination site on the date and time indicated on your admission letter. Registration begins 30 minutes prior to the scheduled examination time. Examinations begin promptly at the scheduled time. Please allow for unexpected delays on route to the testing location, it is your responsibility to report to the examination location on time. Late candidates will be required to re-apply and re-pay the examination fee. **You must present your admission letter and a valid government issued photo identification that must include a photo and signature.**

The following are examples of appropriate forms of identification:

- Current driver's license or State Issued Identification Card
- Passport, Military Identification Card or Voter's Card

Candidates will not be admitted without the required documents. Walk-in candidates will not be admitted.

The name submitted on the applications will be indicated on your admission letter. Please verify that your name, address, photo identification number and date of birth is correct on your admission letter **PRIOR** to your scheduled examination. Please make any necessary corrections on your admission letter and fax to our office or send an e-mail with the needed corrections to Support@DLRoope.com. Please include a fax number or e-mail address and our office will verify the corrections and send a corrected admission letter.

If your name has changed or is different than indicated on your admission letter, you must submit legal documentation showing your previous name and current name (marriage license, divorce decree, court order, or notarized affidavit) to D.L. Roope Administrations **PRIOR** to your scheduled examination. Our office will verify the changes and send an updated admission letter.

TESTING SITE VISITOR POLICY

NO VISITORS WILL BE ALLOWED AT THE TESTING SITE. Candidates are not allowed visitors or to receive messages during the exam.

People that are not scheduled for an examination are not permitted inside of the building where the exams are administered. If another person (parent, spouse, teacher etc.) is bringing you to your exam, you must be dropped off and they can return to pick you up. The approximate amount of time for each exam is indicated in this handbook in the section titled "EXAMINATION SECTIONS" Your driver should wait in their vehicle until you are done and have exited the building.

PROFESSIONAL ATTIRE INFORMATION

Candidates must arrive in neat, clean, **professional** attire. Uniforms are not required. For confidentiality reasons, please cover all identifying marks on your attire or kit. (e.g. your name, school or salon name).

In consideration of other candidates in the examination room, please refrain from wearing perfume or cologne.

New Hampshire Electrologist Candidate Handbook

KIT & SUPPLY INFORMATION

Candidates are responsible for bringing all needed supplies for their examination and cannot borrow or use anything that they did not bring with them. A suggested supply list is included in the NIC Candidate Information Bulletin (CIB) that is included with this handbook.

Recommended kit size is no larger than 30" x 30". For safety reasons all kits, trash bags, etc. must be able to fit completely under your work area.

A flat bottom bag (grocery bag, gift bag, etc.) may be used for "items to be disinfected, soiled linens and trash" and placed on the floor, under the station and clearly labeled. The bags or containers on the floor may be open during the examination so that the candidates can drop items as appropriate into each bag. Bags or containers **MUST** be kept under the work area and cannot be placed in the walking areas. If placing a container with "Items to be Disinfected" on the work area, it **MUST** have a cover.

Candidates are not permitted to use aerosol products at any time during the examinations. All disinfectants, sanitizers and products **MUST** be non-aerosol.

Candidates may bring a container of water if needed for any section of the examination and may bring a thermos of hot water if desired. All water and their containers must be taken with the candidates and may not be disposed of at the testing facility.

Candidates **MUST** use only disinfecting wipes during the practical examinations. Spray Disinfectants are **NOT** permitted.

PROHIBITED ITEMS - NOT ALLOWED

Due to exam security reasons, the following items are **NOT** permitted: No electronic devices, cellular phones, textbooks, study materials, watches, purses, etc. These items should be left at home or locked in your vehicle during the examinations. Cell phones or any electronic device cannot be in the exam room even if it is turned off. **If it is discovered that you have a cell phone in the exam room once the exam has started, you will be immediately dismissed from the exam and your actions will be reported to the proper authorities.**

You may bring one clear plastic ziplock bag with the following items into the examination rooms: Photo identification, admission letter, medication & personal hygiene items. You will be instructed to place your zip lock bag under your work area and it may not be touched during the examination. If you have medication that you may need during the examination, please raise your hand and a proctor will assist you. You may bring a second clear ziplock bag with car keys or fob that will be placed in a secure area by the Supervisor.

Candidates **MUST** use only disinfecting wipes during the practical examinations. Spray Disinfectants are **NOT** permitted.

MODEL INFORMATION

Candidates must bring a model for the Electrology examination.

Model's must be at least 15 years of age and cannot be licensed or a student studying in this field. Models must be present with the candidate at the beginning of the practical examination. The model must present a valid government issued photo identification that must include a photo and signature.

New Hampshire Electrologist Candidate Handbook

MODEL INFORMATION CONTINUED

The model must present a valid driver's license or State ID card for admittance to the examination. The model must be appropriate for examination purposes and must agree to submit to all areas of the Electrology examination. Models may not participate in any way during the examination. Models are not permitted to talk to the candidate or examiners at any time during the examination.

REFERENCES

Examination textbook references are available on the NIC website at www.NICTesting.org.

EXAMINATION SECTIONS

The Electrologist examination consists of 2 sections.

1. National NIC Electrologist Written Examination

The time allotment for this examination is 90 minutes.

2. National NIC Electrologist Practical Examination

The duration of this examination is approximately 3 hours.

ELECTROLOGIST PRACTICAL EXAMINATION SECTIONS

The examination sections of the NIC Electrologist practical examination are outlined in the NIC Candidate Information Bulletin (CIB) that is included with this handbook. The duration of this examination is approximately 2 hours.

The New Hampshire practical examination consists of the following sections as indicated in BOLD and CAPS:

- 1. WORK AREA PREPARATION, AND SET UP OF SUPPLIES**
- 2. THERMOLYSIS**
- 3. PREPARE WORK AREA FOR NEW CLIENT AND SET UP OF SUPPLIES**
- 4. BLEND METHOD**
- 5. GALVANIC METHOD**
- 6. CATAPHORESIS**
- 7. BLOOD EXPOSURE PROCEDURE**

This practical examination is demonstrated on a live model. Please refer to the model information section of this Candidate Handbook for the requirements in your state.

EXAMINATION SURVEY INFORMATION

Examination surveys are available for candidates to complete after the exam has concluded. We encourage all candidates to complete a survey regarding their testing experience.

Please note that the examiners are not permitted to have conversations with or interact with the testing candidates. This should not be interpreted as them being rude as they are required to strictly follow standardized verbal instructions and procedures at all times.

New Hampshire Electrologist Candidate Handbook

If you have questions or need assistance, you may also send an e-mail to support@DLRoope.com.

NEW HAMPSHIRE SCORING INFORMATION

A scaled score of 75.00 is required on the written and practical examination. Candidates must achieve an overall passing score on each examination in order to be assigned a Pass status on that examination. No pass or fail decisions are made on individual content areas or services within the examinations. If a candidate fails one of the examinations, the candidate is required to retake the failed examination in its entirety.

NEW HAMPSHIRE EXAMINATION RESULT INFORMATION

If you indicated on your application that you will download a copy of your result letter from our website, our web address is www.DLRoope.com. A message will be posted on the website when the result letters are available, please allow 7 to 10 business days. **Please do not call our office to ask when examination results will be posted as they will be posted as soon as we have received them from the National Interstate Council of State Boards of Cosmetology.**

This is a secure website and you will need your candidate number and your date of birth to access your result letter. Your candidate number will be sent with your admission letter. You will not be able to log in until the result letters are posted.

If you are unable to log onto our website, please check the message center to see if a message has been posted that the results are available. You will not be able to log into the webscore system until after your results have been posted. Please read all instructions on the website to ensure that you are entering your information correctly. **You must have the most current version of Adobe Acrobat PDF Reader to view and print your result letter. Adobe may be downloaded from our website at www.DLRoope.com.**

Please print a copy of your result letter as you will not receive an additional copy in the mail. **Result letters are only available on the webscore system for 2 weeks after posting.** Your test results will be sent directly to the Board.

If you do not have access to the internet and you need your result letter mailed to you, please check the appropriate box on the application. If your result letter is mailed to you, it will **NOT** be available on our website to view or print.

Candidates that have passed all required examinations and have met all requirements of the Board will be issued a license by the Board. Please refer to the result letter for instructions regarding your license.

If you have failed your examination, you will receive a result letter with review information. This review information can be used to assess those areas where your performance was weak or strong. Please refer to this Candidate Information Bulletin (CIB) for the list of tasks that are evaluated. Candidates will need to complete and submit a rescheduling application and fee to D.L. Roope Administrations at the address listed on the application.

NATIONAL ELECTROLOGY
PRACTICAL EXAMINATION

CANDIDATE INFORMATION BULLETIN (CIB)

EXAMINATION CONTENT AND IMPORTANT ADMINISTRATION INSTRUCTIONS

Please visit your official examination provider website OR www.nictesting.org for the most current bulletin prior to testing.

The National Electrology Practical Examination is the licensure examination for Electrology, which is developed by the National-Interstate Council of State Boards of Cosmetology (NIC).

This bulletin contains IMPORTANT INFORMATION regarding the NIC National Electrology Practical Examination content and administration for Electrology core services.

For each NIC National Practical Examination, there are multiple parts to every Candidate Information Bulletin (CIB) stored as separate documents. Go to www.nictesting.org for a current downloadable copy of each of the following:

- **Important Instructions and Examination Core Domain Content** – This provides information and guidelines related to administration of the Practical examination and information about the scope of content covered in the core sections of the Practical examination.
- **References** – This is a list of references used to develop and support the content covered in NIC examinations.
The references will always be the same for both Theory and Practical examinations.

BE CERTAIN TO DOWNLOAD AND/OR PRINT AND REVIEW ALL DOCUMENTS THAT MAKE UP THE NIC EXAMINATION CIB.

PLEASE REVIEW ALL INFORMATION CAREFULLY!

IMPORTANT INSTRUCTIONS

- Do not leave the examination area without permission. Permission must be obtained to leave the examination area for any reason, including restroom usage or at the completion of the examination. **Picture ID is required for re-entry into the examination.**
- Candidates are required to bring a supply kit for their own use.
 - It is the candidate's responsibility to make certain they have a sufficient quantity of supplies that have been properly cleaned and disinfected and that implements are in proper working order.
 - The kit will be used during the examination as dry storage and is considered part of the work area. The kit must be kept closed (e.g., lid tightly closed) except when removing materials for a particular service.
 - Candidates may remove items, supplies, etc., from the kit at any time, however nothing may be returned to the kit.
 - All examinations are administered in a testing environment.
 - Candidates are evaluated at all times. Continue working until you have completed the entire section or time has elapsed.
 - **EPA registered, disinfectant WIPES that demonstrate bactericidal, fungicidal, and virucidal properties must be used. DISINFECTANT SPRAYS ARE NO LONGER ALLOWED IN THE TESTING ENVIRONMENT.**

NIC National Electrology Practical Examination

- Due to standardization of the NIC National Examinations, Proctors and examiners are required to adhere to the following standards:
 - The verbal instructions will be read twice for each section of the examination.
 - With the exception of verbal instructions, the proctors are not allowed to communicate with candidates.
 - Examiners are not allowed to speak with candidates.
 - Candidates requesting information during the examination will be told one of the following statements:
 - “Do the best you can with what you have available.”
 - “Do as you were taught.”
 - If a candidate experiences an emergency situation, please notify the proctor by raising your hand.
- Candidates will be given time to set up the universal (also known as general) supplies they will use throughout the examination.
 - Each section of the examination has a maximum time allowance, with the exception of those specified as untimed sections.
 - Once a candidate has completed all tasks in the section, they should indicate as directed (i.e., raise hand, step back, turn hand, or verbally).
 - In the event that all candidates complete a section before the time has elapsed, the examiners will proceed to the next section of the examination.
 - When the timer goes off, all candidates must stop working IMMEDIATELY.
- During all phases of the examination, candidates must follow all appropriate public protection and infection control procedures and maintain a safe work area.
 - In the event of a blood exposure incident, candidates will be expected to follow the NIC Blood Exposure Procedure.

Failure to do so may result in your dismissal from the examination.

- *Be sure to contact your examination provider to obtain the most current version of, and any addendums to, the NIC Blood Exposure Procedure OR go to www.nictesting.org for a current downloadable copy.*
 - **If a candidate does not follow infection control procedures or allows the work area to become and remain unsafe, the result may be a failing score for the examination.**
- The following provides examples of materials and actions that are prohibited during the examination administration:
 - Possession of cellular phones, watches (of any kind) pagers, tablets, computers, projectors, cameras, or any other electronic or recording devices, printed materials, or handwritten notes.
 - Purses, bags, coats, hats, and any other personal items not directly needed to complete the examination.
 - Exhibiting disruptive behavior.
 - Communicating to other candidates or any examiner.
- *The above referenced items or actions are not an exhaustive list. Failure to comply with any of these conditions or exhibiting ANY behavior that suggests an effort to cheat will result in the immediate dismissal from the examination and the candidate’s actions reported to the proper authorities.*
- **All supplies must be labeled in English.** When an original manufacturer's label is required, there can be NO handwritten or any other type of labeling. Original manufacturer’s labels must have English and may also include other languages. All non-manufacturer created labels must be only in English.
 - Original manufacturer’s labels are *required* for all disinfectants and hand sanitizers.

- **EPA-registered disinfectant WIPES that demonstrate bactericidal, fungicidal, and virucidal properties must be used. DISINFECTANT SPRAYS ARE NO LONGER ALLOWED IN THE TESTING ENVIRONMENT.** Please refer to the “*Suggested Examination Supplies*” section to see any further state specific requirements for supplies and products.
- Simulated products are *not* allowed for disinfectants and hand sanitizers.
- **NO AEROSOLS OR DISINFECTANT SPRAYS** are allowed in the testing environment.
- Candidates are to perform all tasks, utilizing products and supplies, as they were taught. There is however, a section titled “*Suggested Examination Supplies*” provided following the “Content Domains” section of this bulletin for items that a candidate may *possibly* utilize in a section.

SPECIAL ATTENTION

The following information is vital and specific to the

NIC National Electrology Practical Examination:

- Candidates will be evaluated on designation of materials that are disposed. Candidates are **required** to bring and use the following supplies for the appropriate disposal of materials:
 - Container labeled “**To be disinfected**”
 - Container labeled “**Soiled linens**”
 - Container labeled “**Trash**”
- Sharps containers will be provided on site.
- It is specified that there is **more than one client set up required during** this examination. A new client is introduced and must be prepared for during the course of the examination (see Electrology Practical Examination Content Domains Sections). **Only bring one (1) live model.**
- The following sections are **new** to the Electrology Practical Examination:
 - Blood Exposure Procedure (Content Domain Section 7)
- **Candidates are expected to brace.**
- Candidates are expected to bring a machine that is labeled in English by the manufacturer and capable of Thermolysis, Galvanic, Blend method, and Cataphoresis.
- Candidates are expected to bring a magnifying device and a light source. Candidates are not allowed to label products as single-use items.
- Use of single-use products may result in a failing score for the examination.
- **Candidates will be provided with:**
 - **Three (3) armless banquet chairs, one of which can be used as a foot rest.**
 - **A 30”x96” table to be used as a workstation.**
- **Your model will be seated throughout the examination.**

**ELECTROLOGY PRACTICAL EXAMINATION
CONTENT DOMAIN SECTIONS**

The scope of the National Electrology Practical Examination includes 7 (seven) core domain sections.

1. **Work Area Preparation and Set Up of Supplies** (15 minutes)
2. **Thermolysis** (Two Segments: 10 minutes, 5 minutes)
3. **Prepare Work Area for New Client and Set up of Supplies** (15 minutes)
4. **Blend Method** (10 minutes)
5. **Galvanic Method** (10 minutes)
6. **Cataphoresis** (5 minutes)
7. **Blood Exposure Procedure** (10 minutes)

**ELECTROLOGY PRACTICAL EXAMINATION
TASK LINES AND VERBAL INSTRUCTIONS**

**1. WORK AREA PREPARATION AND SET UP OF SUPPLIES
(15 minutes)**

Proctor – Verbal Instructions: Read to the candidate:

“You will prepare your work area for your client.”

“You will set up the universal supplies and equipment you will use throughout the examination.”

“You will also set up the supplies for the Thermolysis section of the examination.”

“You will be expected to follow all client protection, safety and infection control procedures.”

“You will have 15 minutes to complete this section.”

“You will be informed when you have 8 minutes remaining.”

“Do not demonstrate any procedures until the verbal instructions are given and you are instructed to begin.”

“Raise your hand to indicate you have finished.”

(1) *“The instructions will be repeated.”*

(2) *“You may begin.”*

Candidates will be evaluated on the following tasks:

- 1.1 Disinfects all work areas and equipment completely with product labeled in English as EPA-registered, hospital-grade disinfectant**
- 1.2 Sanitizes hands with product labeled in English**
- 1.3 Universal supplies and machine are labeled in English**
- 1.4 Items to be disinfected, soiled linens, trash and sharps disposed of in a correct manner throughout section**

Proctor – Verbal Instructions: Read if the candidate has raised their hand to indicate they have completed the section before timing has elapsed:

“The candidate has indicated they have completed this section of the examination.”

“We will now proceed.”

Proctor – Verbal Instructions: Read if the timer goes off before the candidate has raised their hand:

“Please stop working.”

2. THERMOLYSIS (Two segments:10 minutes, 5 minutes)

Proctor – Verbal Instructions: Read to the candidate:

“You will perform Thermolysis.”

“You will demonstrate on the upper lip.”

“You will be expected to follow all client protection, safety and infection control procedures.”

“You will continue working for the entire 10 minutes.”

“You will be informed when you have 5 minutes remaining.”

“Do not conclude the treatment until instructed to do so.”

“Your model may be seated at this time.”

(1) *“The instructions will be repeated.”*

(2) *“You may begin.”*

Candidates will be evaluated on the following tasks:

2.1 Thermolysis supplies are labeled in English

2.2 Implements and supplies are visibly clean

2.3 Prepares model for service

2.4 Demonstrates hair removal on the upper lip using Thermolysis

2.5 Demonstrates safe use of implements and equipment

Proctor – Verbal Instructions: Read to the candidate when time has elapsed:

“Please stop working. Do nothing until the next verbal instructions are given.”

2.6 Assessment of model's skin after treatment

Proctor – Verbal Instructions: Read to the candidate:

“The examiner has indicated they have completed their assessment.”

“We will now proceed.”

Proctor – Verbal Instructions: Read to the candidate:

“You will conclude the Thermolysis treatment and dispose of supplies used in the previous section of the examination.”

“You will be expected to follow all client protection, safety and infection control procedures.”

“You will have 5 minutes to complete this section.”

“You will be informed when you have 2 minutes remaining.”

“Raise your hand to indicate you have finished.”

(1) *“The instructions will be repeated.”*

(2) *“You may begin.”*

2.7 Items to be disinfected, soiled linens, trash and sharps disposed of in a correct manner throughout section

Proctor – Verbal Instructions: Read if the candidate has raised their hand to indicate they have completed the section before timing has elapsed:

“The candidate has indicated they have completed this section of the examination.”

“We will now proceed.”

Proctor – Verbal Instructions: Read if the timer goes off before the candidate has raised their hand:

“Please stop working.”

Proctor – Verbal Instructions:

“The model may now stand up and step aside.”

3. PREPARE WORK AREA FOR NEW CLIENT AND SET UP OF SUPPLIES (15 minutes)

Proctor – Verbal Instructions: Read to the candidate:

“You will prepare your work area for a NEW client.”

“You will set up the universal supplies and equipment you will use for the remainder of the examination.”

“You will also set up the supplies for the following sections of the examination:

Blend Method

Galvanic Method

Cataphoresis”

“You will be expected to follow all client protection, safety and infection control procedures.”

“You will have 15 minutes to complete this section.”

“You will be informed when you have 8 minutes remaining.”

“Do not demonstrate any procedures until the verbal instructions are given and you are instructed to begin.”

“Raise your hand to indicate you have finished.”

(1) *“The instructions will be repeated.”*

(2) *“You may begin.”*

Candidates will be evaluated on the following tasks:

- 3.1 Disinfects all work areas and equipment completely with product labeled in English as EPA-registered, hospital-grade disinfectant**
- 3.2 Sanitizes hands with product labeled in English**
- 3.3 Universal supplies and machine are labeled in English**
- 3.4 Items to be disinfected, soiled linens, trash and sharps disposed of in a correct manner throughout section**

Proctor – Verbal Instructions: Read if the candidate has raised their hand to indicate they have completed the section before timing has elapsed:

“The candidate has indicated they have completed this section of the examination.”

“We will now proceed.”

Proctor – Verbal Instructions: Read if the timer goes off before the candidate has raised their hand:

“Please stop working.”

4. BLEND METHOD (10 minutes)

Proctor – Verbal Instructions: Read to the candidate:

“You will perform the blend method.”

“You will demonstrate on the leg.”

“You will be expected to follow all client protection, safety and infection control procedures.”

“You will continue working for the entire 10 minutes.”

“You will be informed when you have 5 minutes remaining.”

“Do not conclude the treatment until instructed to do so.”

“Your model may be seated at this time.”

(1) *“The instructions will be repeated.”*

(2) *“You may begin.”*

Candidates will be evaluated on the following tasks:

- 4.1 Blend supplies are labeled in English
- 4.2 Implements and supplies are visibly clean
- 4.3 Prepares model for service
- 4.4 Demonstrates hair removal on the leg using Blend method
- 4.5 Demonstrates safe use of implements and equipment

Proctor – Verbal Instructions: Read to the candidate:

“Please stop working. Do nothing until the next verbal instructions are given.”

- 4.6 Assessment of model's skin after treatment
- 4.7 Items to be disinfected, soiled linens, trash and sharps disposed of in a correct manner throughout section

Proctor – Verbal Instructions: Read to the candidate once examiner has completed assessment for this section:

“The examiner has indicated they have completed their assessment.”

“We will now proceed.”

5. GALVANIC METHOD (10 minutes)

Proctor – Verbal Instructions: Read to the candidate:

“You will perform the Galvanic method.”

“You will demonstrate on the arm.”

“You will be expected to follow all client protection, safety and infection control procedures.”

“You will continue working for the entire 10 minutes.”

“You will be informed when you have 5 minutes remaining.”

“Do not conclude the treatment until instructed to do so.”

(1) *“The instructions will be repeated.”*

(2) *“You may begin.”*

Candidates will be evaluated on the following tasks:

- 5.1 Galvanic supplies are labeled in English**
- 5.2 Implements and supplies are visibly clean**
- 5.3 Prepares model for service**
- 5.4 Demonstrates hair removal on the arm using Galvanic current**
- 5.5 Demonstrates safe use of implements and equipment**

Proctor – Verbal Instructions: Read to the candidate when time has elapsed:

“Please stop working. Do nothing until the next verbal instructions are given.”

- 5.6 Assessment of model's skin after treatment**
- 5.7 Items to be disinfected, soiled linens, trash and sharps disposed of in a correct manner throughout section**

Proctor – Verbal Instructions: Read to the candidate once examiner has completed assessment for this section:

“The examiner has indicated they have completed their assessment.”

“We will now proceed.”

6. CATAPHORESIS (5 minutes)

Proctor – Verbal Instructions: Read to the candidate:

“You will perform Cataphoresis.”

“You will demonstrate Cataphoresis on the area previously treated in the Galvanic method section.”

“You will be expected to follow all client protection, safety and infection control procedures.”

“You will have 5 minutes to complete this section.”

“You will be informed when you have 2 minutes remaining.”

“Raise your hand to indicate you have finished.”

(1) *“The instructions will be repeated.”*

(2) *“You may begin.”*

Candidates will be evaluated on the following tasks:

6.1 Cataphoresis supplies are labeled in English

6.2 Implements and supplies are visibly clean

6.3 Demonstrates Cataphoresis

6.4 Items to be disinfected, soiled linens, trash and sharps disposed of in a correct manner throughout section

Proctor – Verbal Instructions: Read if the candidate has raised their hand to indicate they have completed the section before timing has elapsed:

“The candidate has indicated they have completed this section of the examination.”

“We will now proceed.”

Proctor – Verbal Instructions: Read if the timer goes off before the candidate has raised their hand:

“Please stop working.”

7. BLOOD EXPOSURE PROCEDURE (10 minutes)

Proctor – Verbal Instructions: Read to the candidate:

“You will demonstrate the blood exposure procedure.”

“You will imagine the following scenario: During a service, your client has sustained a minor cut to the back of the hand. The injury is such that you can continue with the service. You have not come in contact with the blood and your work area has not been contaminated. You are expected to demonstrate the proper procedure for a blood exposure.”

“You will be expected to follow all client protection, safety and infection control procedures.”

“You will have 10 minutes to complete this section.”

“You will be informed when you have 5 minutes remaining.”

“Raise your hand to indicate you have finished.”

(1) *“The instructions will be repeated.”*

(2) *“You may begin.”*

Candidates will be evaluated on the following tasks:

- 7.1 Blood exposure supplies are labeled in English**
- 7.2 Removes materials from first aid kit**
- 7.3 Supplies and materials are visibly clean**
- 7.4 Candidate wears gloves**
- 7.5 Cleans injured area with antiseptic**
- 7.6 Covers with dressing that is absorbent and secured**
- 7.7 Disposes of all contaminated supplies**

Proctor – Verbal Instructions: Read if the candidate has raised their hand to indicate they have completed the section before timing has elapsed:

“The candidate has indicated they have completed this section of the examination.”

“We will now proceed.”

Proctor – Verbal Instructions: Read if the timer goes off before the candidate has raised their hand:

“Please stop working.”

Proctor – Verbal Instructions:

“Your model is excused at this time.”

CANDIDATE CLEANUP AND FINAL SUMMARY

Proctor – Verbal Instructions: Read to the candidate at the conclusion of the examination:

“The examiner has indicated they have completed their assessment.”

“Make sure that all kit supplies and disposable materials are taken with you.”

“This concludes the National-Interstate Council of State Boards of Cosmetology, National Electrology Practical Examination.”

“Thank you for your participation.”

SUGGESTED EXAMINATION SUPPLIES

SUGGESTED supply list:

- This is a list of **suggested** supplies for the practical examination.
- Candidates are responsible for bringing all needed materials, even if not included on this list.

Information related to labeling of supplies:

- ALL supplies must be labeled with the original manufacturer's label in English
- No other languages can be present unless an original manufacturer's label is present
- All other created labels must be only English

EXAMINATION UNIVERSAL/GENERAL SUPPLIES

- One (1) live model
- Candidate supply kit to serve as dry storage area (must be closeable)
- EPA-registered disinfectant wipes with manufacturer's label that demonstrate bactericidal, fungicidal and virucidal properties must be used (must be actual disinfectant wipes)
- Hand sanitizer with manufacturer's label (must be actual hand sanitizer)
- Electrology machine (MUST be capable of Galvanic, Thermolysis, and Blend methods as well as Cataphoresis. Machine MUST be labeled in English by manufacturer.)
- Light source
- Magnification source
- Protective covering (cloth towels, cape, etc.)
- Gloves
- Container labeled "items to be disinfected"
- Container labeled "soiled linens"
- Container labeled "trash"
- First aid kit
- Additional bag for blood contaminated materials (must be closeable)
- Paper towels
- Gauze and or cotton
- Tweezers
- Needles/probes (prepackaged by manufacturer)
- Probe caps
- Antiseptic
- Conducting fluid

*Sharps container will be provided at the site.
